

Due to current legislation, the U.S.D.A. has released a waiver to allow all students within the Mifflinburg Area School District to receive all breakfast and lunch meals for free. Beginning on the first day of school, September 8th, 2020, all meals will be free until December 31, 2020. If you have any money on your child's account, it will remain there for use after December 31, 2020.
